Dear Mr. Patel:

**VACATION OF STOP SALE, USE, OR REMOVAL ORDER**

On August 2, 2017, the Environmental Protection Agency (EPA) placed a Stop Sale, Use or Removal Order, (SSURO), Docket No. FIFRA-07-2017-0341, on all quantities and sizes of the unregistered pesticidal product EST MICROCID E IV-HIV & HBV & HCV VIRUCIDE (Microcide) to EST, Inc. EPA has received written certification from EST, Inc. that neither EST, Inc., nor any agent of EST, Inc. currently has any Microcide in inventory and will not produce any Microcide until such time that the product is registered pursuant to Section 3 of FIFRA, 7 U.S.C. § 136a.

EPA is hereby vacating the SSURO.

This vacation of the SSURO does not preclude the Agency from taking additional enforcement actions for any violations of FIFRA. If you have any questions about this matter, please contact my staff member, Mark Leshner, at (913) 551-7054.

Sincerely,

A handwritten signature in blue ink, which appears to read "Jamie Green", is written over a horizontal line.
